The Police would hopefully be moved in before December once various electrical systems were in place. Hopefully there would be an official opening which the Parish Council should be invited to. Suffolk Fire service was still in discussions with the family of the fire fighter whose memorial tree had been cut down in error.

C Cllr Spicer stated that the Government were about to run a series of adverts to bring the public’s attention to the elections and that Suffolk had three candidates, one from Labour, one from the Conservatives and an Independent candidate.

8. Report from Borough Councillor John Griffiths MBE

B Cllr Griffiths informed the members that St Edmundsbury and Forest Heath were continuing with more restructuring of their departments.
