**Councillors Roles** – there was a brief discussion about the roles, especially those of the Chairman and Vice-Chairman, these will be clarified at the first meeting that the new councillor attends.

**Website** – there was a need to clarify this again. The Parish Council do not wish to own or run a village website. At the November 2012 meeting, it had been resolved to work with [lxworthvillage.co.uk](http://lxworthvillage.co.uk), run by Mr Rob Laughton. It was agreed that information such as the ratified minutes, Councillors contact details, the complaints procedure and dates of forthcoming meetings are to be published on-line. The clerk has been instructed to liaise with Rob Laughton to accomplish this.

**Christmas Lights** – the lights looked delightful again this year, our thanks to all those concerned with erecting and taking down the trees and the lights.

## **12. Clerk's Report**

The Clerk reported that there were items still outstanding such as highways issues, BT phone boxes, and hand rails on the steps in Stow Road.

The Clerk also requested permission to attend a training evening. The evening would cover planning issues at a cost of £20 + VAT. Permission was granted and Cllrs Shelton, McFruin and Plummer also wished to attend.

## **13. Councillors Reports**

Cllr Laughton read out the following report from Steve Wilson;

Apart from the litter I have had to do some sweeping around the Village Hall and removed a dumped Christmas tree.

A vehicle has shattered the drainpipe on the corner of Commister Lane and the High Street. I removed the large pieces (with the agreement of the ladies in the shop) and swept up the bits; I also took the opportunity to sweep the gravel from the gutters near the Cafe. I have swept most of the thick, slippery, leaf mulch from the pavement beside Robin's Copse before the school goes back.

There are no issues to report at the moment, any seasonal increase in dog mess has been slight. I only have seven hours holiday in hand now, to be used before the end of April.

Cllr Reeve reported that Pat Rogers was home from hospital and he would visit him over the next week to see how he is and report back to the members at the next meeting.

Cllr McFruin reported that the sign near the permissive footpath had been removed. Cllr Reeve stated that he was aware of the missing sign.

Cllr Plummer stated she was concerned about the condition of the water mains within the village as one had burst at the bottom of the High Street. Cllr Plummer reported that she has spoken with Dr Cannon concerning the residents' problems with the pharmacy in the surgery. Dr Cannon had explained that a new system had been installed which was not as efficient as they had hoped and had had some teething problems, also, two members of staff were currently off long-term sick. Dr Cannon assured Cllr Plummer that the situation was being looked into and should improve soon.

It has been suggested by Councillor Lord that we have a social evening to include councillors and partners, perhaps to have a meal in the village. The suggestion was for a Friday or Saturday evening at The Pykerrel, date to be arranged at the next meeting. All agreed.

**14. Date of the Next Meeting**
